

**Junghwan Kim**

Junghwan Kim (adviser: Dr. Mei-Po Kwan) is a Ph.D. candidate in the Department of Geography and Geographic Information Science at the University of Illinois at Urbana-Champaign. He holds a B.S. in urban planning and engineering (Summa Cum Laude) from Yonsei University, South Korea and a Master of Urban Planning (MUP) from the University of Illinois at Urbana-Champaign. His research interests include human mobility, travel behavior, environmental health, the application of GIScience methods, and geoprivacy.

**Mei-Po Kwan**

Dr. Mei-Po Kwan is Choh-Ming Li Professor of Geography and Resource Management and Director of the Institute of Space and Earth Information Science at the Chinese University of Hong Kong. She received her Ph.D. from the University of California at Santa Barbara. She had served as an editor of *Annals of the American Association of Geographers* for 12 years and is editor of the book series entitled *SAGE Advances in Geographic Information Science and Technology*. She is an associate editor of *Travel Behaviour and Society* and serves on the editorial boards of *Journal of Transport Geography*, *Applied Geography*, *International Journal of Geographical Information Science (IJGIS)*, and *Geographical Analysis*. Her research interests include environmental health, human mobility, sustainable cities, urban, transport, and social issues in cities, and GIScience.

**Margaret Levenstein**

An economist, Dr. Margaret Levenstein first joined ISR's Survey Research Center (SRC) in 2003 as the executive director of the Michigan Census Research Data Center (MCRDC), a joint project with the U.S. Census Bureau. She has taken an active role at ISR, joining the Director's Advisory Committee on Diversity in 2009 and serving as the chair of ISR's Diversity, Equity and Inclusion strategic planning committee and as the liaison to the larger university program. Additionally, Levenstein is associate chair of the American Economic Association's Committee on the Status of Women in the Economics Profession and past president of the Business History Conference. Levenstein received a Ph.D. in economics from Yale University and a B.A. from Barnard College, Columbia University. Her research and teaching interests include industrial organization, competition policy, business history, data confidentiality protection, and the improvement of economic statistics.

**Doug Richardson**

Dr. Doug Richardson is a distinguished researcher at Harvard University and executive director emeritus of the Association of American Geographers (AAG), a scholarly association of 12,000 members dedicated to the advancement of geographic research, scholarship, and education. Prior to joining the AAG, Richardson founded and was the president of GeoResearch, Inc., a private research firm specializing in the environmental and geographical sciences. His current research interests range from GIScience and health to geography and the humanities.
