

# Do You LIKE To MAKE MAPS?

Kids like you around the country are drawing, painting, and constructing maps for a chance to win **AWARDS** and represent the UNITED STATES in the **2024 Barbara Petchenik Children's Map Competition!** The theme this year is "The World Through My Eyes."

\*To enter the U.S. Children's Map Competition go to the NCGE or CAGIS websites for instructions!

Talk to your teacher for details!

Find out more about the international map competition online at <https://icaci.org/petchenik/>

Check out previous winners: <https://cartogis.org/awards/children/>

You and your friends could win awards! And your map could be selected as one of six national winners that will represent the USA in an international map competition in Vancouver, Canada, in 2025!

National finalists will be displayed with other maps from around the world. Work with your teachers to create your school's map entries for the U.S. Children's Map Competition by March 1, 2024.
